

## Advanced Theatre List

Thank you all for coming and auditioning. I am so proud of ALL of you. Please know how talented I think you all are. If you did not make Advanced theatre, please do not give up on theatre and please know how talented and awesome I still think you are!!!! I would still love to have you all in my Intermediate Theatre class. This was SUCH a hard decision for me. So many talented students came and auditioned. If you have a question as to why you didn't make the list- please email me, and I will give you honest feedback. I am so proud of all of you.
